

CORPORATE PARTNERS

SPONSORSHIP PACKAGE, FY 2022

- ▶ The partnership and generosity of our corporate sponsors enables The Stork Foundation for Infertility to continue to fulfill our mission of providing financial grants to low income couples who require costly infertility treatments to conceive a child.
- ▶ The lack of infertility insurance coverage and high out of pocket cost of treatments can be prohibitively expensive, preventing many from the opportunity to conceive a child and experience the lifelong journey and joys of parenthood. Our grants, up to \$15,000 per family, offer HOPE and opportunity in the form of access to medical infertility treatments that would otherwise be out of financial reach.
- ▶ Our corporate partner program consists of a community of organizations that help The Stork Foundation achieve its mission. As a 501(c)(3) non-profit organization, donations are the key to our existence. We have very little overhead (no salaries are paid), and nearly every penny of donations received directly supports our grant recipients.
- ▶ Corporate sponsorship levels start at \$5,000 and include your company logo displayed on our website and social media promotions.

WE ARE HERE BECAUSE
